Proposed Agenda for Personal Interview for Application No. 09/808,141

I. Claims: Stuart does not disclose setting structure information by a user beforehand by using variables shown in Fig. 3. Stuart also does not disclose a name-generating sections acquiring information relating to image data according to the set structure information.

II. Questions from Applicant:

- a) To clarify the location of the "image data acquiring section" in Stuart.
- b) To clarify the location of the "structure information setting section" in Stuart.
- c) To clarify the location of the "name generating section" in Stuart.
- d) To clarify the location of the "image data acquiring section" in Stuart.

Please confirm whether we can conduct the personal interview on Thursday, April 8, 2004.

Thank you.
